

DR. HARRY DE BOER

---

Harry de Boer is a senior researcher and research coordinator at *the Center for Higher Education Policy Studies* at the University of Twente, the Netherlands. His research interests in the field of higher education studies concern governance and steering models, public policy analysis, institutional governance and management, and strategic planning and decision making.

He has conducted many research and consultancy projects for national and international bodies such as the Dutch ministry, the German Research Foundation and the European Commission.

Moreover, he is lecturing on the topics mentioned above at the *School of Management and Governance* of the University of Twente and the *Higher Education Erasmus Mundus programme*.

He frequently publishes his articles in the journals *Higher Education*, *European Journal of Education*, *Higher Education Research & Development*, *Public Administration*, *Leadership* and *Tertiary Education and Management* and over the years he published many book chapters on these topics.
